## MR & MRS Quiz Paddle round

Get the Bride to be to sit in the middle of the room give her 2 paddles a Blue one and a Pink one (some people like to put the respective faces on these)

When you ask a question if she thinks that they groom answers himself as an answer she raises the Blue paddle if she thinks the groom answered Her she raises the Pink Paddle. She must answer what she thinks He answered not what she thinks is the right answer - that's where it gets tricky! 😊

If she chooses correctly IE: she raises the blue paddle and the grooms answer was the groom then it's a match. Some people like to have small prizes such as underwear sex books etc for her if she gets an answer matched.

If she chooses incorrectly IE: she raises the pink paddle and the answer the groom gave was the groom then it is not a match. Some people like to give the Hen a shot for every wrong answer. *Remember be nice give her a very small mild shot if you are doing this we do not want a hen in A&E.*

Also personalize these as much as you want to suit the couple involved.
